**Photos for Newsletter** I would like to make a request to the membership for some photos. During the month of December we had our YE rally at Holly Lake and our Christmas party. I see members taking pictures at our events but I never get copies to use in the newsletter. It would make our Newsletter more interesting if we had some pictures. Please, in the future, send me a few pictures of our events. **Ernst Viehweger** (webmaster) has requested pictures for the website and has received few. He would like some also. If you send some to me, copy Ernst. Thanks.

**Newsletter Editor Needed.** Since I retired in 2007 my wife and I have been planning on doing some traveling and spending more time in Denver and Memphis TN with our families. We will step the effort up in 2008. I would like to have a chapter member step up to take over the newsletter when I am away. This would not be a permanent position at first but may lead into it in the future. Please consider this easy job. If you are interested talk to me or Roger or Garnet.
